

Curriculum Vitae

Dr Jeff Coutts

Current Situation

- **Director**, COUTTS J&R Pty Ltd, Consultants, PO Box 2681, Toowoomba Q 4350 Australia. Phone 07 46301297; Mobile: 0438 361153. E-mail: jeff@couttsjr.com.au. Web page: www.couttsjr.com.au This consultancy business is based in managing and evaluating change in rural industries and communities.

Qualifications

- **Bachelor of Applied Science (Rural Technology)** from the then Queensland Agricultural College, Lawes, Queensland. 1975.
- **Master of Science (Management of Agricultural Knowledge Systems) with Distinction** from Wageningen Agricultural University, The Netherlands. 1990.
- **Doctor of Agricultural and Environmental Sciences (PhD)** from Wageningen Agricultural University, The Netherlands. 1994.

Citizenship

- Australian

Languages

- **English:** first language
- **Melanesian Pidgin:** fluent
- **Dutch:** working knowledge
- **Spanish:** Working knowledge

Strengths – Key Consultancy Areas

- Monitoring and Evaluation:** program; project; processes; techniques; training
- Project leadership:** rural development; capacity building
- Extension:** policy, methodology, processes, training
- Action Research:** participative RD&E
- Community capacity building:** development process; training
- Communication:** planning; processes
- Education & training:** structures; processes

Memberships

- Member Australasian Evaluation Society Inc
- Life Member, Asia Pacific Extension Network (APEN)
- Member of Editorial Panel for Journal of Agricultural Education and Extension
- Past-Chair Toowoomba Landcare Group Committee

Position History

- 2002 - **Director** Coutts J & R Pty Ltd – Managing and evaluating change
- 2006 - **Director** QualDATA – Monitoring and Evaluation Systems
- 1997-2002 **Director/Associate Professor**, Rural Extension Centre, University of Queensland Gatton
- 1993-1996 **Principal Extension Officer (Extension Development)**, Rural Extension Centre, UQ Gatton College - Queensland Department of Primary Industries. In this position I undertook research and consultancy in extension policy and processes and program evaluation.
- 1991-93 **Principal Extension Officer, Policy Co-ordination** - Queensland Department of Primary Industries.
- 1990-91 **Manager, Poultry Field Services** - Queensland Department of Primary Industries, with state responsibilities for developing extension services to the poultry industry.
- 1984-90 **Husbandry Officer (Pig & Poultry Branch)** - Queensland Department of Primary Industries. Located in Toowoomba.

- 1980-81 **Administrator – Poultry Breeder farm complex** - employed by Inghams Enterprises at Beaudesert, Queensland.
- 1977-80 **Poultry serviceman** – Inghams Enterprises – providing technical support to contract meat chicken producers.
- 1976-77 Coconut Plantation and Cattle Manager – Hagita, Alotau, PNG (Australian Volunteers Abroad)

International Work and Project Experience

- 2019 **Seminar Presentation on Evaluation of Rural Development** (Unitech Lae, PNG)
- 2017 Scientific Committee member of European Symposium of Extension and Education held in Crete July 2017
- 2015-18 **Monitoring and Evaluation of 'Weaving the Korawai' Project** (restoring the environment in a degraded catchment in New Zealand) – Scion, NZ
- 2015 Scientific Committee member of European Symposium of Extension and Education held in Wageningen the Netherlands 2015.
- 2014 **Monitoring and Evaluation Workshops** for AgResearch, New Zealand
- 2013-19 **Capacity Building of Consultants to Smallholders in Chile** – Consorcio Lechero and INDAB
- 2013-17 **Monitoring and Evaluation** of “Primary Innovation Program” New Zealand
- 2012 Facilitation of “**Improving Market and Value Chain Research**” for ACIAR in Vietnam
- 2011/12 **Extension training and organisational mentoring** - Consorcio Lechero in the Dairy Industry Chile
- 2010-11 **Capacity building within the Chilean Dairy Industry across the value chain** in terms of increasing productivity and quality across the country for the Consorcio Lechero
- 2010-11 **Development of an evaluation framework for impact reporting for DairyNZ's Extension Program** for DairyNZ
- 2010 **Workshops and Key Note speaker** on technology adoption with the Cooperinsem and Consorcio Lechero in the Dairy Industry Chile
- 2010-2012 **Developing a Monitoring and Evaluation Framework** and tools and providing associated training for Dairy NZ
- 2009 **Facilitated workshop in Fiji on building extension capacity in the South Pacific** – University of Queensland/ACIAR
- 2007 Needs assessment in relation to **Strengthening Province-based Adaptive Agricultural Research and Development capacity of Agricultural Technology Assessment Institutes (AIATs) [Balai Pengkajian Teknologi Pertanian (BPTPs)] in Four Provinces of Eastern Indonesia: South Sulawesi, South-East Sulawesi, Nusa Tenggara Timur (NTT) and Nusa Tenggara Barat (NTB)** through the Smallholder Agribusiness Development Initiative (SADI) Subprogram 3, Component 2
- 2006 **Review of Development and delivery of practical disease control program for small scale shrimp farmers in Indonesia, Thailand and Australia** - ACIAR
- 2005 **Review of Accelerating the impacts of participatory research and extension on shifting cultivation farming systems in Laos** -ACIAR
- 2003-5 Extension policy consultant - ACIAR **Philippines Extension Project** – improving the delivery of extension under the decentralised system.
- 2003-6 Independent Monitoring and Evaluation of PNG **Integrated Agriculture Training Program Vudal – AusAid PNG Incentive Fund Project**
- 2002-2006 **Scientific Communication Project (SCICOM)** Papua New Guinea (Project Leader) – University of Queensland/ACIAR

Examples of Australians Evaluations, Reviews and Other Projects

2020	Development of Reef Extension Engagement Strategy (DAF)
2020	Development of Project Performance Indicators for DAF's reef extension programs – across industries.
2019-20	Evaluation of Agskilled (Cotton Australia)
2019	Evaluation of The Reef Alliance: Growing a Great Barrier Reef Project (Reef Alliance Project)
2019	Mid-term evaluation of Hort360 (DES/Growcom)
2018	Evaluation of the Apple and Pear Industry Communication Program
2018	Wine Australia adoption of practices survey and report – Wine Australia
2018	MPfN Mid-term Evaluation – CRDC, Dairy Australia, Sugar Research Australia and Horticulture Innovation Australia.
2017-22	Monitoring and Evaluation support for the Drought & Climate Adaptation Program – DAF, Qld
2017-20	Monitoring and Evaluation Support for DAF Reef Water Quality Projects – DAF Qld
2016-18	Monitoring Evaluation training, support and mid-term evaluation of AusVeg – a national horticulture extension project – Horticulture Innovation Australia
2017-21	Monitoring and Evaluation of the project of the R&D for Profit Project: iMapPESTS: Sentinel Surveillance for Agriculture – Horticulture Innovation Australia (lead)
2017	Review of FutureBeef MOU – Meat & Livestock Australia
2017	Review of QNRM Projects and their impact – Condamine Alliance
2017	Review of Extension and Adoption in the Reef Regions – DAF and EHP
2016-18	Monitoring and Evaluation of the R&D for Profit Project: MIRprofit: Integrating very large genomic and milk mid infrared data to improve profitability of dairy cows – Dairy Australia
2016	Reef plan Best Management Program Monitoring and Evaluation Review and Practice Change Monitoring, Evaluation, Reporting and Improvement Framework (team member) - EHP
2015-18	Monitoring and Evaluation of the project: Stimulating private sector extension in Australian agriculture to increase returns from R&D – Dairy Australia and other RDCs
2015	Quantifying management practice change in the sugar Industry to improve water quality outcomes - DAF and Terrain
2015	Review of the Pineapple Development Project – Horticulture Innovation Australia and Growcom.
2014	Review of the Extension Strategy for ReefPlan – Queensland Government
2014	Monitoring and Evaluation Framework and Guide for Sugar Research Australia
2014-17	Monitoring and Evaluation of The National Climate Change Adaptation Research facility Phase 2
2014	Mid-term review of the industry Development Network for the Nursery Industry – Nursery and Garden Industry Australia
2014	Review of the Extension Strategy for ReefPlan – Queensland Government
2014	Review of Regional Development Programs – Dairy Australia
2014	Sheep Connect Tasmania – a desktop review of impact and evaluation processes – for TIA and AWI

- 2013-15 **Development of a Monitoring and Evaluation Framework** for Meat and Livestock Australia – as part of QualDATA
- 2013-15 **Development of a Monitoring and Evaluation Framework** for Dairy Australia
- 2013 **Review of National Centre for Dairy Education Australia (NCDEA)** for Dairy Australia [Contact: Shane Hellwege]
- 2013 **Evaluation of ‘The Sheep’s Back’** – an AWI Producer Network Project – for AWI and Icon Agriculture
- 2013 **Review of Reef Rescue incentives program** for Terrain NRM
- 2013 **Review of Reef Rescue; Healthy Habitats and the Murri Ranger program** for Burnett Mary NRM Group
- 2013 **Three year impact review of Condamine Alliance** – Sustainable Agriculture; Water; and Biodiversity programs
- 2012 **Longitudinal Review of Sheep Connect Farmer Network Projects** for Australian Wool Innovation
- 2012 **Development of a Monitoring and Evaluation Strategy** for Central and Southern Queensland Training Consortium - education of Registrars seeking GP Accreditation
- 2011/12 **Evaluation of the Knowledge and Adoption Program of the Synthesis Phase of Tropical Rivers and Coastal Knowledge (TRaCK) research program**
- 2011/12 **Monitoring and Evaluation of ReefPlan Extension Project** – DEEDI, Qld
- 2011 **Evaluation of the NQ Dry Tropics Reef Rescue Program** – NQ Dry Tropics
- 2011 **Evaluation of the implementation of the NSW Sustaining the Basin: Border Rivers-Gwydir pilot project** for I&I NSW

Lecturing/Training/Supervision

Lead and delivered UQ Masters level courses on *Evaluation of Project and Programs*, until 2012, taught *Research Methods* and undertakes *PhD and Masters Research supervision and examination* across a range of topic areas in development and extension across a number of universities. Teach into Masters of Integrated Water Management UQ (International Water Centre) – Behavior Change and Evaluation.

Short courses run:

- Interviewing and Focus Groups
- Evaluating Empowerment
- Evaluating Engagement
- Introduction to Evaluation – and using log-frames
- Developing Monitoring and Evaluation Frameworks for organisations and programs
- QualDATA strategic stakeholder engagement and evaluation
- Survey design

(Co) Supervision of PhD and Masters Research Students – through UQ and USQ. Most recent topics: Fisheries co-management in Vietnam; The Role of Agricultural Cooperatives in Nepal in Capacity Building; Discussion support’ processes in influencing agricultural enterprise management decisions in the context of a changing and variable climate; Adoption of web 2.0 technologies by

State Government extension officers; Network-based Inward-participation monitoring mechanism in Fiji; The Role of Extension in Building Capacity and Resilience in Australian Rural Industries.
